

Demo Policy Section: Semester / Examination

Reference clauses

Clause EXM-01: For recurring issues identified in grievance communications (nbsp, gmail, message, grievance, forwarded), the institution shall maintain a time-bound action tracker and provide category-specific disposal updates.

Clause EXM-02: Examination schedule, admit-card release, and evaluation timelines shall be published in advance through official institutional channels.

Clause EXM-03: Result publication delay beyond notified timeline shall be accompanied by a formal notice indicating revised date and cause of delay.

Clause EXM-04: Students may apply for rechecking or review within the notified window through prescribed form and fee process.

Clause EXM-05: Rechecking shall verify totaling, unmarked answers, and data transfer integrity without re-evaluation unless specifically permitted by regulations.

Clause EXM-06: Applications for correction of name, roll number, subject code, or paper mismatch shall be processed on priority before final mark-sheet issuance.

Clause EXM-07: Tabulation errors identified post-publication shall be rectified through approval workflow with audit trail.

Clause EXM-08: Provisional certificates may be issued where final documents are delayed, subject to verification of completion status.

Clause EXM-09: Absentee and withheld cases shall be clearly tagged with reasons and expected resolution path in student portal or notice board.

Clause EXM-10: Backlog, supplementary, and special examination notices shall include eligibility, fee, and timeline details.

Clause EXM-11: Internal assessment disputes shall be reviewed by department-level committee with recorded findings.

Clause EXM-12: Examination grievance cells shall acknowledge complaints within three working days and provide disposal timeline.

Clause EXM-13: Digitized scripts or marks data shall be retained for the notified retention period for dispute resolution.

Clause EXM-14: If server or portal outage affects form submission, compensatory submission window shall be provided through official notice.

Clause EXM-15: Late fee waiver in exceptional cases shall be governed by transparent criteria and competent authority approval.

Clause EXM-16: Result correction orders shall be communicated to all affected sections including scholarship and migration desks.

Clause EXM-17: Student requests for transcript and duplicate mark-sheet shall be processed through standardized SLA-based workflow.

Clause EXM-18: Misconduct in examinations shall be processed under unfair-means rules with opportunity of hearing.

Clause EXM-19: Semester progression decisions impacted by pending result disputes shall be handled through interim academic protection measures where permitted.
