

Demo Policy Section: Miscellaneous

Reference clauses

Clause MSC-01: For recurring issues identified in grievance communications (principal, grievance, regards, west, bengal), the institution shall maintain a time-bound action tracker and provide category-specific disposal updates.

Clause MSC-02: All miscellaneous administrative grievances shall be acknowledged within three working days with a unique tracking reference.

Clause MSC-03: The concerned section shall provide a reasoned response within fifteen working days unless a longer period is approved with recorded reasons.

Clause MSC-04: Requests for certificates and attested copies shall follow published document checklist and service timelines.

Clause MSC-05: Fee-related corrections, refunds, and ledger mismatches shall be processed through finance verification with auditable entries.

Clause MSC-06: Scholarship verification delays shall be escalated to nodal officer with weekly status update until disposal.

Clause MSC-07: Transfer, migration, and no-objection requests shall be disposed based on eligibility and outstanding dues verification.

Clause MSC-08: Hostel-related grievances on allotment, safety, and facilities shall be reviewed by hostel committee with action minutes.

Clause MSC-09: Accessibility and student-support requests shall be prioritized under inclusive support norms.

Clause MSC-10: Where grievance concerns multiple departments, a lead coordinating officer shall be designated for single-point communication.

Clause MSC-11: All decisions impacting student rights or employee service conditions shall state factual basis and applicable rule position.

Clause MSC-12: If requested records are unavailable, response shall indicate reason, custodian, and next review date.

Clause MSC-13: Digital grievance portal entries shall be mapped to manual register to prevent duplication and closure mismatch.

Clause MSC-14: Escalation matrix and appellate contact details shall be displayed in official notices and portal pages.

Clause MSC-15: Repeated grievances on the same unresolved issue shall be tagged for supervisory review.

Clause MSC-16: Time-bound action taken report shall be generated for grievances marked urgent by competent authority.

Clause MSC-17: Interim relief measures, where permissible, shall be considered to prevent avoidable hardship during final disposal.

Clause MSC-18: Communication to complainant shall remain factual, respectful, and free from speculative statements.

Clause MSC-19: Quarterly analytics of miscellaneous grievances shall be prepared to identify recurring administrative bottlenecks.
